Presidents Report

Hi Members. What a difference rain makes. How quick does the country side change from dust to a beautiful green. How quick the mood changes in the community after magnificent rains. Next, I suppose we will be trying to kill all the weeds.

With the fast approaching month of July nearly upon us, put 7th July 2018 in your diary for the Annual Dinner and Presentation evening. You need to book so we can organise catering. Federals will be once again catering the event. You need also to have your Nominations for the Committee and or Club Captain in by 13th July 2018.

We have 3 interested pilots for the Formation Flying. Should be lots of fun. Let Heather or myself know for Dinners or Formation Flying and the Fly In to Forrest to be held in September 2018.

Our Instructors are always ready to do your BFR or any other Endorsement that you may require. Their numbers are listed in the first page of our Fly About.

Much to Heathers disgust I record and watch most of the Air Crash Investigations and I cannot believe how many experienced airline pilots still crash aircraft killing many hundreds of people due to the simple error of pulling back on the control column when the aircraft is in a stalled state. One episode the pilots took off in a hurry and forgot to do their pre take off checks. By not putting out their slats and flaps 147 people were killed. I must admit if I rush I normally will forget a procedure. So the old saying is don't rush. See you at the Annual Dinner.

Cheers,

Errol

Club Captains Report

Sunday 10th June was our monthly Flying Competition at Northam..

THREE CIRCUITS.

Runway 32 in a howling 30 knot wind from 300 degrees... "Good Fun"
Conditions were challenging , all pilots performed well which just demonstrates the benefits of flying these Comps in order to keep ourselves proficient and up to the mark.

THREE CIRCUITS with Radio Calls and Landing Performance Criteria...

First Circuit was a "Missed Approach / Go Around with all Radio Calls.

Second Circuit was Flapless Touch and Go with Landing Performance Criteria..

Third Circuit was a Closed Throttle Glide Approach Full Stop Landing.

Judges had a great time close up to the action ..

"SCORES WERE VERY VERY CLOSE,ALL PILOTS WELL UP TO SPEED...

RADIO CALLS EXCELLENT AND ALL FLEW SAFELY."

RESULTS:

Equal First Place: Ashley Smith and Peter Hill. both 157 Points out of 160 .

Second Place: Adam and Lachie Price, 154 Points.

Third Place: Ian Berry hot on our heels with much panache.

Once again we thank our Ladies of the Canteen for another great morning tea!

Beth,Shay and Kate.. Thank you Ladies!

NEXT COMP IS SUNDAY 8th JULY 9 am at Northam Airfield.

"TOODYAY RACES AND MURESK AG. COLLEGE..a Timed Journey.

Each pilot nominates his own Time for the trip,so not a race ,just a safe little Air Trial around the Avon..

As usual all Pilots have a full Comp Sheet and Map with 30 days to go,so we all have plenty of time to READ/ FLY A PRACTICE RUN.. or two..

Club Aircraft is available 24/7 for TEAM NAC pilots who wish to fly a practice run.

Hoping to see Friends and Family Sunday 8th July Flying Comp at Northam Airfield.9am.

all most welcome and seats available in Club Aircraft at all times ,just ask.

So until then, Best Wishes,Stay Safe,

Peter Hill Club Captain NAC 0450415947 prh@aurora.net.au
